

MADGE SEXTON KINDERGARTEN

QUALITY AREA 7: SERVICE MANAGEMENT

Policy 18: Acceptance and refusal of authorisations (Consents/permissions)

RATIONALE:

To ensure a physical, emotional and psychological safe environment, and to support our 'duty of care' responsibility Madge Sexton Kindergarten seek parental / guardian consent.

In some circumstances, further consent from your child's doctor and/or other relevant Government agency i.e. Families SA may also be sought.

Instances include:

- Administration of medication to your child(ren) whilst at kindergarten.
- Administering medical treatment, inclusive of transportation in an ambulance. Please note in cases of emergency an ambulance will be called without parental consent.
- Taking of photographs / videos of your child(ren) whilst participating in kindergarten or associated events.
- Collection of children. Initial consent sought at point of enrolment and identified on enrolment form.
- Excursion. A separate consent is provided prior to excursions, outlining route(s), dates/times, transportation and purpose. For detailed information please refer to our Madge Sexton Kindergarten Excursions policy. Incompletion of consents could lead to refusal to enact the authorisation.
